

Meeting Agenda

Water for 2060 Advisory Council

Public Water Supply Workshop

Date: November 19, 2013
Time: 1:00 P.M.
Location: OWRB Board Room – 3800 N. Classen, Oklahoma City

Introductions and Goals for Today **1:00-1:10**

- Advisory Council Members
- Municipal and Rural Water District Representatives
- Goals for Today's Workshop

Existing Practices and Programs in Conservation and Reuse **1:10-2:30**

- Public Water Supplier Individual Report-Out (up to 5 min. each):
 - ✓ Existing conservation/reuse practices: What's working for you now?
 - ✓ Current incentives/disincentives for water-efficient practices and education programs
 - ✓ Additional conservation: What's holding you back?
- Bureau of Reclamation WaterSMART programs (Collins Balcombe)
- ORWA Water Loss Reduction Assistance (James Gammill)
- OWRB Financial Assistance Programs (Joe Freeman / Jennifer Wasinger)

Break **2:30-2:40**

Brainstorming: Incentives and Education Programs **2:40-3:50**

- Brainstorming of potential concepts for incentives for conservation and reuse
- Brainstorming of potential drivers for consolidation/regionalization
- What would be embraced by providers and their customers?
- Questions about examples and concepts that we can research further
- Prioritization of incentives we can recommend to the Legislature

Next Steps and Group Resources **3:50-4:00**
