

## SCHOLARSHIP APPLICATION

### FEMA L-273 COURSE: "MANAGING FLOODPLAIN DEVELOPMENT THROUGH THE NATIONAL FLOOD INSURANCE PROGRAM"

Recognizing potential hardship for the smaller, remote communities in the state, Oklahoma Water Resources Board, through a grant funded by DHS-FEMA, is offering a limited number of need-based attendance scholarships for local floodplain administrators to attend the **four-day course** held **Monday, January 28 through Thursday, January 31, 2019 at OWRB in Oklahoma City**. This scholarship will cover hotel expenses for attendees that qualify for the award. **Please note** this covers lodging from Sunday night January 27 through Wednesday night January 30 only (4 nights). Those participants who wish to take the optional CFM examination offered by OFMA on Friday, February 1 will have to cover the extra night's expense.

If you would like to apply for the scholarship, please provide the following information about your community to aid OWRB in the determination:
