**Re: Arbuckle Aggregates' Mill Creek Quarry
Quarterly Report – 4th Quarter 2016**

Mr. Mackey:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued a mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, AA did not produce any mine products or accumulate any pit water during the fourth quarter of 2016.

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
