*Re: Arbuckle Aggregates' Mill Creek Quarry
Quarterly Report – 1st Quarter 2017*

Mr. Mackey:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued a mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, AA did not produce any mine products or accumulate any pit water during the first quarter of 2017.

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Canty'.

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
