**Re: Arbuckle Aggregates' Mill Creek Quarry
Quarterly Report – 2nd Quarter 2017**

Mr. Mackey:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued a mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, **AA did not produce any mine products or accumulate any pit water during the second quarter of 2017.**

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
