**Re: Arbuckle Aggregates' Mill Creek Quarry
Quarterly Report – 3rd Quarter 2017**

Mr. Mackey:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 7, 2010, and was issued a mining permit on March 16, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, AA did not produce any mine products or accumulate any pit water during the third quarter of 2017.

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
