***Re: Arbuckle Aggregates' Mill Creek Quarry
Annual Report 2018***

Mr. Cogburn:

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates, LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 7, 2010, and was issued a mining permit on March 1, 2016. According to §1020.2(C)(2), AA is considered an exempt mine.

For your records, AA did not begin mining operations, produce any mine products, or accumulate any pit water during 2018.

Please feel free to contact me (405/761-1225) if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Canty'.

Geoffrey A. Canty,
Consultant for Arbuckle Aggregates
