

ARBUCKLE-SIMPSON STUDY

Site Information Form

As part of the agency's ongoing study of the Arbuckle-Simpson aquifer and associated water resources, the OWRB is soliciting information from area landowners to augment the agency's database of water wells, springs, caves, and/or sinkholes in the area. If you know of any of these features, please complete this form and mail or fax it to the OWRB at:

Oklahoma Water Resources Board
3800 N. Classen Blvd.
Oklahoma City, OK 73118
Fax: (405) 530-8900
Attn: Leigh Cheatwood
