6. PLAT MAP *(Sample)*

Applicant Name  John and Jane Doe _____________________________________________

*Office Use Only:* Application No. ____________________________________________

The plat below represents one full section (640 acres or 1 square mile). Drawings must match the legal descriptions provided in questions #3 and #4 of the application. More than one plat map may be required.

Instructions and Use of Symbols on the Application Plat

1. Write the applicant name on the top of the page (should match your ownership document).

2. Write the section # in the circle in the middle of the section and the legal description and county on the bottom of the page.

3. Draw the land you want to dedicate. Denote this with tick marks around the land boundary.

4. Draw the area you plan to use the water. Denote this with parallel diagonal lines.

5. Draw a dot at the location of each existing well to be authorized. If a well log is not on file, latitude and longitude may be required. If the wells are proposed, draw horizontal lines over the 10-acre tracts where you want to drill the wells in the future.

6. Draw a hollow circle for all other existing water wells (e.g. stock, domestic, irrigation, permitted, etc.) within 1/4 mile of the existing wells to be permitted and the proposed well locations to be permitted.

Existing Wells to be Permitted

7. SURFACE ESTATE OWNERS MAP (Sample)

Applicant Name: John and Jane Doe

Office Use Only: Application No. ____________________________

The map below represents nine (9) full sections of land each with a circle at the center. The applicant must furnish names and mailing addresses of all surface estate owners of land located within 1,320 feet (1/4 mile) from the location of the existing wells to be permitted as well as from the outside boundaries of all proposed well location areas to be permitted, unless otherwise directed by the Board. Mark applicant’s existing wells to be permitted with a solid dot and shade all proposed well location areas. More than one surface estate owners map may be required.

Instructions and Use of Symbols on the Surface Estate Owners Map

1. Write the applicant name on the top of the page (should match your ownership document).

2. Write section numbers in the circles at the middle of each section where land is dedicated, then draw the land you want to dedicate.

3. Draw the location of each existing well to be authorized with a dot. If the wells are proposed, shade in the 10-acre tracts where you want to drill the wells in the future.

4. To denote neighboring landowners, write letters in every 10-acre tract square within ¼ mile of the existing wells to be permitted and the proposed well locations to be permitted (up, down, side-to-side, and diagonally). Then write their name and address information at the bottom of the page. Contact your county assessor office or county courthouse if you do not know this information.
