Re: Arbuckle Aggregates, LLC (AA)  
Status Quarterly Report –  
4<sup>th</sup> Quarter 2015

Dear Ms. Cunningham & Mr. Mackey,

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued its mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine. Since the AA mining permit was not issued until this month, there was no mining activity during fourth quarter 2015.

**For your records, AA did not produce any mine products or accumulate any pit water during the fourth quarter of 2015.**

Please feel free to contact me if you need additional information.

Sincerely,

Elizabeth C. Nichols
