

Meeting Agenda

Water for 2060 Advisory Council

Report Workshop

Date: April 21, 2015
Time: 1:00 P.M.
Location: OWRB Board Room – 3800 N. Classen, Oklahoma City

Introductions and Goals for Today **1:00-1:10**

- Advisory Council members and guests
- Subgroup dialogue and roles in revising draft report recommendations
- Goals for today's workshop

Report Overview and Overarching Comments **1:10-1:40**

- Prioritization of recommendations (within categories, not between categories)
- Public Awareness campaign: applicable to all water use sectors?
- Mechanisms for Municipalities and PWS systems to help co-fund the recommendations? (Especially Recommendation PWS-1 and PWS-3.)
- Continue to support agriculture in Oklahoma.
- Concern over adding regulation or constraints on use of fresh water and/or marginal quality water.

Feedback on Energy and Industry Recommendations **1:40-2:10**

- EI-1 Facilitate Increased Sharing of Information and Supplies Between Industrial Users
- EI-2 Develop Industrial Water Use Best Practices Guidance Portal and Recognition Program
- EI-3 Promote Industrial Use of Marginal Quality Waters

Feedback on Crop Irrigation Recommendations **2:10-2:40**

- CI-1 Apply State Financing Programs to Water-Efficient Crop Irrigation Equipment Conversion and Practices
- CI-2 Develop the Oklahoma Crop Irrigation Best Practices Guide and Information-Sharing Portal
- CI-3 Actively Support Federal Crop Insurance Reform

Break **2:40-2:50**

Feedback on Public Water Supply Recommendations **2:50-3:50**

- PWS-1 Develop the Oklahoma Public Water Supply System Water Efficiency Best Practices Guide and Information-Sharing Portal
- PWS-2 Develop a State Recognition and Rewards Program for Highly Efficient Public Water Systems

- PWS-3 Develop the Oklahoma Water System Loss Reduction Best Practices Guide and Information-Sharing Portal
- PWS-4 Provide State Funding and Financing for Water System Loss Reduction
- PWS-5 Develop Public Education and Outreach Materials
- PWS-6 Encourage Regionalization and Supply Sharing

Next Steps and Group Resources

3:50-4:00

- Outstanding comments
- Report finalization
- Transmittal letter and final submittal
- Water for 2060 web page <http://www.owrb.ok.gov/2060>
