Name of System: Hinton Public Works Authority
CWSRF Project Number/Loan Number: ORF-21-0029-CW

General Project Description:
The Hinton Public Works Authority operates three total retention lagoons. Two of the lagoons are experiencing hydraulic overloading during wet weather conditions. The Oklahoma Department of Environmental Quality has issued two consent orders for operating with unpermitted bypasses. The proposed project is to address the Consent Order items by adding additional irrigation capacity at one lagoon, pump second lagoon’s flow into the third lagoon and upgrade existing land application equipment. The estimated total cost of the project is $3,639,000 which will be funded by $3,139,000 in loan proceeds and $500,000 in Hinton Economic Development funds.
