Clean Water State Revolving Fund (CWSRF)
Green Project Reserve Eligibility Determination

Name of System: The Langley Public Works Authority
CWSRF Project Number/Loan Number: ORF-21-0009-CW

General Project Description:
Langley Public Works Authority has an oxidation ditch treatment process with a permit to discharge into Hudson Lake. The Authority has been experiencing inflow and infiltration issues within the system. The proposed project is for planning and design to address the inflow and infiltration issues, and all studies related thereto.
