Clean Water State Revolving Fund (CWSRF)
Green Project Reserve Eligibility Determination

Name of System: Meeker Public Works Authority
CWSRF Project Number/Loan Number: ORF-21-0018-CW

General Project Description:
The Meeker Public Works Authority has conducted a study on their wastewater collection system and determined that the system has exceeded its life expectancy and is in need of rehabilitation. The proposed project is to replace wastewater lines using pipe bursting, replacing manholes on the replaced line(s), sealing manholes not on the replaced line(s) with cementitious liner, and all other appurtenances related to the completion of the project.
