Clean Water State Revolving Fund (CWSRF)
Green Project Reserve Eligibility Determination

Name of System: Bristow Municipal Authority
CWSRF Project Number/Loan Number: ORF-21-0030-CW

General Project Description:
The Bristow Municipal Authority (Authority) is under a ODEQ Consent Order #19-238 for permit violations at their wastewater treatment plant (WWTP). They also have over 50% of their water meters that are beyond their useful life and in need of replacement. The proposed project is to expand the existing WWTP from 1 mgd to 2 mgd, add 2 new sequential batch reactors, ultraviolet disinfection, new headwords, new lab and control building, a new control system, installation of solid state meters system wide, including setup, maintenance and billing integration software and all appurtenances required to complete the project. The total estimated cost of the project is $9,100,000 including engineering, construction, financing and all other costs associated with the project.
