UNITED STATES DEPARTMENT OF THE INTERIOR

This is a detailed topographic map of Wright City, Missouri, and the surrounding area. The map shows the Missouri River flowing from the northwest towards the southeast, and the Little River flowing from the north towards the south. The town of Wright City is located in the center of the map, near the intersection of the two rivers. The map includes contour lines indicating elevation, with spot elevations marked at various points. The map is overlaid with a grid showing coordinates and section numbers. The title 'WRIGHT CITY' is prominently displayed in the center. The map also shows various place names, including Wright City, Sulphur, and Fowler. The map is a black and white reproduction of a historical map, likely from the early 20th century.

ALIKCHI, OKLA.

NOTES TO THE USER

- Wetlands which have been field examined are indicated on the map by an asterisk (*).
- Dominance type (either vegetative or sedentary animal) can be added to the map by the interested user.
- Additions or corrections to the wetlands information displayed on this map are solicited. Please forward such information to the address indicated.
- Some areas designated R4SB, R4SBW, or R4SB- (intermittent streams) may not meet the definition of wetlands.
