

NATIONAL WETLANDS INVENTORY
UNITED STATES DEPARTMENT OF THE INTERIOR

This is a detailed topographic map of the Westville, Oklahoma area. The map shows the Westville Reservoir in the upper left, with Westville located in the upper center. Surrounding Westville are Liberty Mountain and Sugarloaf Mountain. The map is covered with numerous contour lines indicating elevation. Various roads and landmarks are labeled, including 'Westville (BM 1139)', 'Liberty Mountain', 'Sugarloaf Mountain', and 'Snake Mountain'. A grid of latitude and longitude coordinates is overlaid on the map, with latitude ranging from 35° 52' 30" N to 36° 00' N and longitude ranging from 94° 30' W to 94° 45' W. The map also includes a scale bar at the bottom indicating distances in feet and miles.

NOTES TO THE USER

- Wetlands which have been field examined are indicated on the map by an asterisk (*).
- Dominance type (either vegetative or sedentary animal) can be added to the map by the interested user.
- Additions or corrections to the wetlands' information displayed on this map are solicited. Please forward such information to the address indicated.
- Some areas designated R4SB, R4SBW, or R4SBJ (intermittent streams) may not meet the definition of wetlands.
