Re: Arbuckle Aggregates, LLC (AA)
Status Quarterly Report –
1st Quarter 2016

Dear Ms. Cunningham & Mr. Mackey,

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued its mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine. Since the AA mining permit was not issued until March 2016, there was no mining activity during first quarter 2016.

For your records, AA did not produce any mine products or accumulate any pit water during the first quarter of 2016.

Please feel free to contact me if you need additional information.

Sincerely,

Elizabeth C. Nichols
