Re: Ashby Investments, LLC
Status Annual Report 2019

Dear Matt,

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Ashby Investments, LLC submitted a mine permit application to the Oklahoma Department of Mines (ODM) on July 23, 2011. According to 82 O.S. §1020.2(C)(2), Ashby is considered an exempt mine. Ashby has not been issued its mining permit from ODM. Ashby did not conduct any mining activities for the year 2019.

For your records, Ashby did not produce any mine products or accumulate any pit water during 2019.

Please feel free to contact me if you need additional information.

Sincerely,

Elizabeth C. Nichols
