RE: Regular Groundwater Application No. 2026-527, A&S Farms, LLC, Texas County

Dear Ms. Leven:

Your application to use groundwater has been reviewed by Board staff. In order to obtain a permit, you must provide notice of the essential facts about your intended use by newspaper publication and by notifying certain neighbors.

In accordance with Section 309 of Title 75 and Section 1020.8 of Title 82 of the Oklahoma Statutes, and Section 785:30-3-4 of the Oklahoma Administrative Code (OAC), we have enclosed a Notice of Application to be published at your expense in a newspaper that is qualified to publish legal notices in Texas County. The notice must be published once a week for the two consecutive weeks beginning on May 10, 2026 and May 17, 2026. Please send us, or have the publisher forward to us, the certified proofs of publication by June 8, 2026. Because the Board is not responsible for the accuracy of the information contained in the notice, please review the enclosed notice carefully and contact the Board if you note any errors or have any questions.

In addition to giving notice by publication of your application to withdraw groundwater, OAC Section 785:30-3-4(a) requires that you notify by certified mail (return receipt requested) all surface estate owners of lands located within 1,320 feet of the outside boundary of each ten-acre tract regarding wells subject to your application. Please notify these landowners on or before the first day of publication. We have enclosed extra copies of the notice for this purpose. You may make additional copies if you need more than we have provided. Also enclosed is an affidavit certifying you have notified all of these surface estate owners. The affidavit must be signed, notarized, and returned to the Board, along with all green cards, by or before June 8, 2026.

Any protests to your application must be filed with the Board by June 15, 2026. If a protest is filed, a hearing may be scheduled and you will be notified.
