Re: Arbuckle Aggregates, LLC (AA)  
Status Annual Report 2015

Dear Ms. Cunningham & Mr. Mackey ,

Please let this letter serve as a status update and for compliance purposes with 82 O.S. §1020.2(E)(1). Arbuckle Aggregates LLC (AA) submitted a mine permit application to the Oklahoma Department of Mines (ODM) on May 17, 2010, and was issued its mining permit on March 18, 2016. According to §1020.2(C)(2), AA is considered an exempt mine. Since AA's mining permit was only issued within this month, AA did not conduct any mining activities for the year 2015.

**For your records, AA did not produce any mine products or accumulate any pit water during 2015.**

Please feel free to contact me if you need additional information.

Sincerely,

Elizabeth C. Nichols
